

WORKERS NEED A VOICE

IN THE SOUTH, WORKERS HAVE THE LOWEST WAGES AND THE LOWEST RATES OF WORKPLACE ORGANIZATION AND UNIONIZATION.

We are ESSENTIAL, yet we are OVERWORKED, UNDERPAID, and PUT AT RISK, without safety protections or control over scheduling.

We are ESSENTIAL, yet we can't afford housing, healthcare, education or childcare.

We are ESSENTIAL, yet our bodies are put at risk from unsafe practices inside workplaces and the pollution they spew into our land, water and air.

If we are ESSENTIAL, why are we disrespected? Bosses and politicians divide and discriminate based on race, gender, immigration, and other factors.

If we are ESSENTIAL, why are politicians trying to silence us by taking away our right to make our own choices in the voting booth and the doctor's office?

WORKERS NEED POLITICAL POWER

Speaking with one voice – as SOUTHERN WORKERS – will make an impact on the 2022-24 elections. One voice – not individually, not divided by minor differences – but united on what we need right now.

Immediate Changes – that can be accomplished in the next year or two, that will improve the quality of our lives right now.
